Arrangements are automatically booked unless they require approval and are actively rejected by the Fiscal Approver in the Concur System.

**Report Review**

Sponsored Programs will review funding source report within two business days of receipt.

To deny travel on specified funds, notification is given to the fiscal approver of the funding source listed in the header Account Assignment.

SPS approval is required for foreign travel on all SPS funds except NSF and NIH. SPS also reviews and approves funding if one of the following applies to travel request:

- ARO (International Only)
- DOE Lab
- AID (International Only)
- EPA (International Only)
- USDA (International Only)
- State Sponsored (International Only)
- Foreign Gov’t (International Only)
- Sponsor Defined

SPS approval of foreign travel on NIH and NSF funds has been delegated to the fiscal approver.

**Notifications**

A Concur generated email request for approval is immediately sent when pre-trip approval is required. Once approved, a notification report is generated outlining trip details and forwarded to:

- Traveler’s supervisor
- Fiscal Approver of all funding sources
- Traveler

Traveler’s Delegate – *Only if the delegate created the travel request.*
