Teaching Experience

Graduate Courses

Advanced Auditing and Audit Analytics, Krannert School of Management, Purdue University

2016-present

Developed and taught course in the Krannert master of accounting program. The course has two primary foci: 1) to teach students material that is tested on the CPA Exam but is not covered in a typical auditing course, and 2) introduce students to data analytics methods that are starting to be used in the auditing industry.

Consulting for Not-for-Profits, Krannert School of Management, Purdue University

Spring 2013-17

Developed and supervised course in which teams of accounting masters students worked on accounting consulting projects for local organizations. Average teaching review: 4.8/5.0.

Accounting for Managers, Weekend MBA Program, Krannert School of Management, Purdue University

2013-present

Planned, prepared, and taught core financial accounting course. Average teaching review: 4.8/5.0.

Accounting for Managers, Full-time MBA Program, Krannert School of Management, Purdue University

2017 - present

Planned, prepared, and taught core financial accounting course in full-time MBA program. Average teaching review: 4.2/5.0.

Advanced Auditing, Rutgers University School of Business-Camden and Krannert School of Management, Purdue University

Fall 2011, Fall 2016 - present

Planned, prepared, and taught advanced auditing course in professional masters program. Average teaching review: 4.9/5.0.

Directed Study in Accounting, Rutgers University School of Business-Camden

2007-2012 Academic Years

Planned, prepared course materials and supervised MBA students in independent study courses in auditing and taxation.

Intermediate Financial Reporting, University at Buffalo School of Management

Spring 2006

Planned, prepared and taught intermediate accounting course to MBA students. Average teaching review: 4.3/5.0.

Cross-listed Courses (Graduate and Undergraduate)

Forensic Accounting and Fraud Examination, Krannert School of Management, Purdue University

2012-present

Planned, prepared and taught course in fraud examination and other forensic accounting topics to graduate and undergraduate accounting majors.

Undergraduate Courses

Auditing, Krannert School of Management, Purdue University

2013-present

Planned, prepared and taught auditing course to accounting majors. Average teaching review: 4.7/5.0

Intermediate Accounting I, Krannert School of Management, Purdue University

2012-2018 Academic Years

Planned, prepared and taught first intermediate accounting course to accounting majors. Average teaching review: 4.8/5.0

Concepts of Auditing, Rutgers University School of Business-Camden

2007-2012 Academic Years

Planned, prepared and taught auditing course to accounting majors. Average teaching review: 4.4/5.0

Troy D. Janes, PhD, CPA, CFE

Teaching Experience (continued)

Intermediate Accounting I, Rutgers University School of Business-Camden

2007-2012 Academic Years

Planned, prepared and taught first intermediate accounting course to accounting majors. Average teaching review: 4.5/5.0

Business Failures-Their Causes and Consequences, Rutgers School of Business-Camden

Fall 2009

Planned, prepared and taught seminar in the Business Leader Development Program, a selective program available to all business majors. Average teaching review: 5.0/5.0.

Intermediate Financial Accounting I, University at Buffalo School of Management

2003-2007 Academic Years

Planned, prepared and taught first intermediate accounting course to accounting majors. Average teaching review: 4.2/5.0.

Principles of Accounting, University of Michigan Business School
