

School Application Process

The Purdue Case competition will take place between Wednesday, January 29th through Friday, January 31st

Summary

- There are **two tracks** that you can compete on for this competition
 - **Freshmen / Sophomore**: compete in on-campus case competition for prizes and potential to advance to **National Deloitte Case Competition at Deloitte University**
 - **Junior / Senior* / Masters Students** (<2 years of work experience): compete in **on-campus case competition only** for prizes

**Please note that Deloitte is no longer recruiting for positions for 2020. As such, applications from graduating seniors will be reviewed but this event will not be an opportunity for recruiting for those of this age.*

Applicant Criteria

- **Applications** accepted for **Individuals and Teams (up to 4 members – all members should be part of the same track)**
- **Major / GPA Requirement** – Open to all majors/programs; a **3.2 GPA minimum** is preferred
- Demonstrated interest in Deloitte Consulting through active participation in recruitment activities to date

Team Application Process

Each team designates one captain to complete the online application that can be found [here](#) for the Freshman/Sophomore track or [here](#) for the Junior/Senior/Masters Students track by Thursday, January 16th. The captain must also email Preston Mantel (pmantel@deloitte.com) and Adam Goodman (adgoodman@deloitte.com) with below requested material:

1. **Resumes** of each team member
2. **Competition Track** – Junior / Senior / Masters Track or Freshman / Sophomore Track
3. **Essay prompt** – Each team will be given a prompt to which they will collectively submit a response
4. **Optional** – Team Name/Mission Statement – Each team that applies can submit a set of slides with their team name, bios and team mission statement. A template will be provided.

Team Selection Process

- Panel of **local team judges** will review essay prompt responses and **select top teams** to participate based on specified criteria
- Top teams will be notified and each team member will be asked to **register for the competition through local team Salesforce link**
